

Trap Game??

Who would of ever thought anyone of us would here that phrase about a game after a 1 win season? It's amazing that this is a trap game & we are the ones who are facing the trap.

As we make an improbable playoff push in comes the Oakland Raiders which could possibly be the worse team since the 76 Bucs. Good teams put away bad ones early & have their starters resting by the end of the 3rd quarter. That is waht I expect to see happen this week. We have jumped so many hurdles this year , now is the time we jump the one that has been a hard one for us - not playing down to bad opponents.

So lets see if this team can come out blazing & then carry that intensity the whole game. This should be a laugher ... lets hope it is us doing the laughing.
